

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PROPOSED ADJUSTMENT OF THE WATER)	
SERVICE RATES OF EAST PENDLETON)	CASE NO. 95-229
WATER DISTRICT)	

O R D E R

On May 17, 1995, the East Pendleton Water District ("East Pendleton") submitted its application seeking Commission approval of a rate increase for the 44 water customers served in the Oak Haven Subdivision. East Pendleton's application was deficient and it was given the opportunity to amend its application to include the financial information required to meet the minimum filing requirements of 807 KAR 5:001, Sections 8 and 10, for rate increase applications.

On June 16, 1995, East Pendleton requested Commission Staff ("Staff") assistance to prepare its rate case application. Staff provided the requested assistance and performed a limited financial review of East Pendleton's operations for the 1994 calendar year. On March 11, 1996, Staff mailed the results of its limited review to East Pendleton.

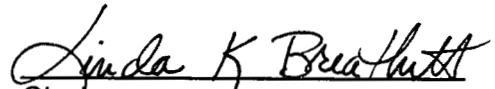

To date East Pendleton has not amended its application to include the information required to meet the minimum filing requirements.

After considering the evidence of record and being otherwise sufficiently advised, the Commission finds that this case should be dismissed without prejudice to East Pendleton to refile its application for Commission approval.

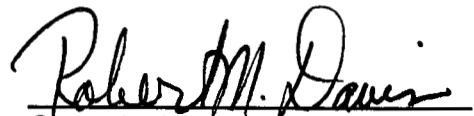

IT IS THEREFORE ORDERED that this case is dismissed without prejudice.

Done at Frankfort, Kentucky, this 27th day of June, 1996.
